SUPERVISOR KEVIN JEFFRIES FIRST DISTRICT

Highgrove Community Update 3/22/2023

California Street Cleaned Up: – The homeless camp and large piles of debris were cleaned up on California Street by Riverside County Code Enforcement on February 28th. The large piles of debris took up multiple parcels, mostly privately owned, which Riverside County Code Enforcement worked with Riverside County Sheriff to remove the homeless and the massive amounts of debris. Lesser parts of the area were owned by Riverside County Flood Control, and they cleaned up their portion of the area as well. Supervisor Jeffries' Office knows that this area is a popular place to have illegal dumping and will continue to watch this site diligently. Supervisor Jeffries' Office will work closely with Code Enforcement to make sure this area does not get to the horrific conditions it was before.
