Volunteer hours can be earned in several ways including:

- Volunteering at available community volunteer opportunities.
- Participating in Youth Commission events/activities/meetings.
- Participation in committee led events or projects.

It is the responsibility of the council member to meet the minimum hour requirements by the term end date for each of the two terms as outlined above. Please refer to the specific Participation Tracking Sheet for detailed directions on how to record your volunteer service. If you feel that you will not be able to meet these requirements because of a conflict, please discuss it with your Legislative Intern.

Please be advised that throughout the year there will be certain activities presented during YAC meetings that are termed “mandatory events.” Mandatory events are either Youth Commission led, or Council led activities. If you cannot participate in a “mandatory event” due to a conflict, you must submit a request for excusal to your Legislative Intern.

We understand that medical problems, family emergencies, school responsibilities, club or sport engagements, and extreme circumstances occur. Please be aware that failure to meet the requirements by the term date can be excused or the term may be extended by the Legislative Intern.
