- A. Approved meeting minutes from February Meeting had change from meeting being Zoom to meeting in person. Motion to approve by Bob and Seconded by Glen.

IV. Reports

A. Senator Melissa Melendez (Casey Diver)

1. Glad to meet in person
2. SB1201 – Uses highway funds to assist with homeless programs along roads in our California road systems
3. SP-1411 – Veterans tax credit will eliminate income tax in retirement for state of California
4. SBR-5 – Pass a bill to end the state of emergency. This is to get a hearing. It took 2 years. Question why he was able to go past 120 days. The other comment is the governor can end the state of emergency if he chooses. Person suggested to look at mental health for the homeless. Governor is proposing court for evaluating mental health. What does state of emergency ending mean? Power of governor will be less. Are we looking at other buildings to house mental health? Casey did not know.
5. Is Melissa running against Ken Calvert? He could not comment on. He said nothing is officially announced. Comment it hasn't been on the ballots.

B. Assembly man Kelly Serrato: (Joe Fuentes)

1. No representation
2. No comment

C. California Highway Patrol (CHP) (Captain Miller Officer Torres):

1. New to Riverside reported Jan. 1 Came from Bakersfield. He is introducing himself.
2. Talked about golf carts by Temescal Valley elementary and driving on the roads and it is illegal. Discussed what is needed to drive cart on road. They have stopped and educate them not to do. They will follow up if they see them. If they see them they will escort back to the house. Person asked about lack of seat belts. Officer committed to send a vehicle to do a warning.
3. Comment from Lee to call the mines about illegal parking on Temescal Valley Road down by the Carl's Jr. and Arco. They were gracious to contact drivers. Would ask they watch independent operators get sited. Please look at the area and possibly getting tickets to stop them from doing. They were asking to focus on moving violations and possibly look at them.
4. Question on monitors HOV lanes on ramps and people violating what the intent of lane is. The officer says monitors and does best they can. One suggestion is to put signs stating that the lane on the left is HOV and not general use lane on ramps. This could eliminate confusion. They will work with county and officer to address marking of lanes.

5. Comment on addressing bad driving by the schools in morning drop off period. They committed to monitor. Also brought up was illegal parking of vehicles like campers on public roads. After 72 hours considered abandon vehicle. Reiterated you had to call in and they have to see and follow up to do anything to correct it.
 6. The new captain left business card for us.
- D. Cal- Fire (Officer Rudy)
1. He has been there 2 years and because of COVID wasn't introduced.
 2. Talked about Captain Browns promotion. Waiting on new captain.
 3. 300 calls run: 230 medical, one structural, one wildland fire, 24 traffic collisions.
 4. One question, what are we looking for to prepare meeting. Calls for service, updates brush abatements and special projects. Ask about any structural fires and info on the upcoming fire season and our protections we need to do.
 5. Asked that all the people at meeting will be at town hall.
 6. Officer reminded call 911 instead of calling directly to fire station so they can prioritize.
 7. Asked about wall time or being stuck at hospitals do to acceptance level at hospitals? Low on resources for paramedics available. They also lose people because of retirement and injury. Also, have low resources at hospital. They are also allowed to downgrade certain calls. Overall, responses the same. They need more people. The extreme delays have gone down.
 8. Discuss protocol how evacuations done during wildfire. Use phone and apps and Facebook page to get news. They also go around doors to notify. Also, mentioned AlertRivco.
