The Riverside County Assessor-County Clerk-Recorder will be closing its offices to the public, effective Wednesday, March 18th, 2020 until further notice. We are joining other government agencies in closing their facilities in an effort to protect the public and slow the spread of the COVID-19 virus.

While our offices will be closed to the public, we remain operational at this time to accomplish essential functions that must be completed on site. Our county residents can utilize many services online, and questions will be answered via email and over the phone. We will have staff working and able to answer your concerns. We encourage the public to visit our website, www.asrclkrec.com for information on forms, processes, and inquiries about their property.

We can be reached at the following email address accrmail@asrclkrec.com or you can call our office at 951-955-6200.

We are working closely with the Department of Public Health and other state and local agencies and experts, to monitor COVID-19 and will let you know as soon as possible, when we can resume in-person service.
